

# Shine Ue School Science Club

(includes Calendar of Activities for  
Term 4)

## Science Club

Full academic year  
Grades 3-12

### Membership

All students from grade 3 to 12 are automatic members of SUS Science Club, however, core members are entitled to receive free training and assistance from their respective Science advisers for the improvement of their knowledge in Science. The Science Club core membership is open to all students of Shine Ue School only. Core membership fee is 5,000 tugriks payable upon registration and is renewable on a quarterly basis. There will be given free quarterly core membership fee to those students with 95% and above term grades in Science.

### Facebook Group: SUS SCIENCE CLUB

[https://www.facebook.com/groups/sussclub/?source\\_id=269710316472264](https://www.facebook.com/groups/sussclub/?source_id=269710316472264)

### Duties of the core members of SUS Science Club

1. Attend all proposed meetings and projects
2. Lead and assist the events and projects of the club
3. Be responsible for maintaining the organization of School Resource Center (library) and Science laboratory
4. Be a model student for others to follow
