COMPANY INTRODUCTION

2022

ABTS NON-BANK FINANCIAL INSTITUTION

Our **mission** is to support and financially assist people wishing and willing to act for improving their life and the lives of loved one. We believe that only people can make things truly better, and our efforts focused on them will actually improve their well-being.

ABTS NBFI makes its contribution into the Mongolia's socio-economic development through its financial support aimed at employment generation and improvement of sustainable livelihood. ABTS NBFI's micro finance services, directed at individuals and entities that have limited access to banks services, deepen the financial intermediation in our country. We strive to be the "right partner" for our clients continuously improving our financial products and services in line with their rising demand and various needs.

ABTS NBFI will work to achieve its goals and implement initiatives aimed at prosperity of people and sustainable development of SME through enabling access to financial support. We will keep pace with the developments in the financial sector introducing new products and services, international standards and the best practice. We will continue to increase the transparency and adopt corporate governance principles.

ABTS NBFI will develop further to keep the leading position in the micro-finance sector.

ABTS NBFI TODAY

ABTS NBFI was established on 4 October 2001 as one of pioneer micro finance institutions in Mongolia.

We direct our activity at meeting demand and needs of our clients with personal touch by introducing new financial products and services, improving our operations, and adopting international standards. In 2001-2023, the ABTS NBFI has granted total loans of MNT 70.4 billion to 3956 clients.

Since its **establishment**, our total assets soared 224 times, while total loans increased 171 times and equity rose 142.5 times.

Compared to the end of 2022, total assets grew by 3.9%. The ratio of non-performing loans to total loans made up 1.6% which is 0.4% decrease from last year's 2%.

ABTS NBFI has already built the reputation of reliable financial partner. The backbone of our business is experienced staff, strong management team, and shareholders support. We believe that the team work with well-defined objectives, innovative thinking and integrated interests will drive the further success of our NBFI.

IMPLEMENTED PROJECTS

We have successfully implemented and currently implementing various projects targeted vulnerable households, individuals, and SMEs. Particularly, ABTS NBFI has implemented Project on Supporting Households in Remote Rural Areas through its branch in Umnugovi aimag, Project on Improving Living Conditions in Ger Residential Area, Project on Supplying Enhanced Stoves to reduce air pollution, and Employment Generation Project. Presently, we continue implementation of Micro Finance Development Project (Sustainable Livelihood II Project).

Micro Finance Development Project. The Mongolian Government in collaboration with the World Bank has been implementing Sustainable Livelihood program. ABTS NBFI participated in implementation of this project since 2003. Presently, ABTS NBFI is implementing Micro Finance Development project in such districts as Chingeltei, Bayanzurkh, Songinokhairkhan, Khan-Uul and Sukhbaatar. Within the project framework, we provided 351 loans worth MNT 3.5 billion in total. Out of which, loans to poor and low income households and individuals comprised MNT 1.7 billion. In result, 593 direct beneficiaries and 693 indirect beneficiaries were recorded.

"Schultz Global Mongolia".Funding of 2,000,000 USD was collected in April 2014 for the purpose of "Schultz Global Mongolia" project, to increase jobs and support small and medium businesses. Due to the effect of this financing, at the end of 2016, our company's financial performance and loan portfolio improved. For example, the loan portfolio increased by 2.2 times, and 21.4 billion MNT was provided to 681 customers. As a result of the project, more than 300 new jobs have been created. The project was successfully implemented and the loan was fully repaid with interest in February 2016.

"Business Partners Company".In 2016, "Business Partners Company" collected loan resources from Japan's Business Partners Company in order to support the financial capabilities of private entrepreneurs. In the framework of this financing, 22.2 billion MNT loan financing was granted to 637 customers. As a result of the project, more than 200 new jobs have been created and the standard of living of households has improved.

Employment Generation Project. ABTS NBFI has implemented Employment Generation project aimed at supporting employable poor to create employment and income opportunities in 2002-2010. Generated substantial experience in providing micro loans allowed us to reach the project objectives. Within the framework of the Employment Generation Project, ABTS NBFI granted loans of MNT 416.5 million, of which MNT 195 million were received by residents of ger area. In result, more than 700 working places were created.

Project on Supporting Households in Remote Rural Areas. ABTS NBFI implemented the Project on Supporting Households in Remote Area through its branch in Dalanzadgad Soum, Umnugovi aimag in 2003-2004. ABTS NBFI achieved the project objectives, providing micro finance service to low income households in remote rural areas and enhancing their access to financial services. We granted 210 loans of MNT 128.6 million in total. Loans to residents in remote areas accounted to MNT 33.3 million, poor and low income individuals MNT 117 million and herders MNT 37.3 million, respectively.

Project on Improving Living Conditions in Ger Residential Area (JFPR MON-9015). The Mongolian Government in collaboration with the Asian Development Bank implemented the Project on Improving Living Conditions in Ger Residential Area during 4.5 years starting September 2005. ABTS NBFI granted 3-year loans up to MNT 1 million to residents in Bayanzurkh District of Ulaanbaatar city. The loans with monthly interest rate of 0.5 percent were provided to households in order to support them in construction, repair and extension of their homes. About 155 individuals benefited from the project support of MNT 145 million, of which 13 persons purchased ger, 57 built premises, and 85 repaired or extended the living spaces.

Project on Supplying Enhanced Stoves. The World Bank provided financing for renovation of TT-03 stoves, used within the framework of the Asian Development Bank project to reduce the air pollution in Ulaanbaatar city and rationalize use of fuel for heating purposes. ABTS NBFI took part in distribution of these renovated stoves to households in ger area through providing financial intermediary services.
