First publish

A WELCOME MESSAGE BY US

Dear school management, teachers, workers, students and parents, we wish you a happy Lunar New Year.

On this auspicious day, we are very happy to publish our first school newspaper, SHINE-UE NEWSPAPER.

The newspaper is a monthly newspaper written in English with the main purpose of improving students' English, providing information related to school activities to students and parents in English, providing information that will positively affect their education, and increasing their interest in reading newspapers.

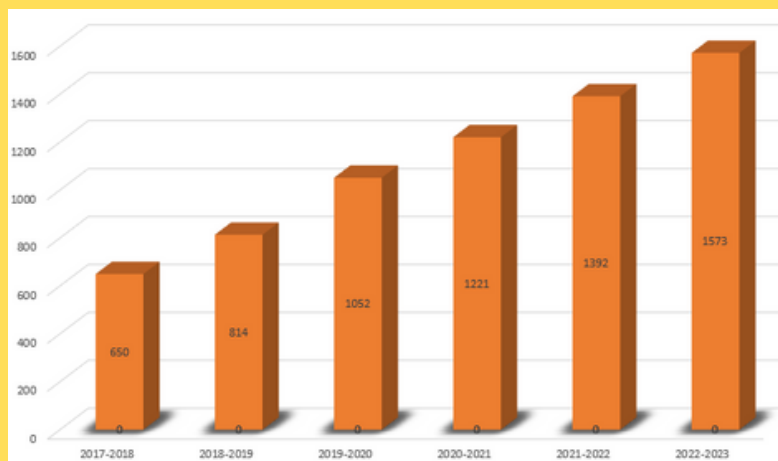

OUR FIRST PUBLISH

We are very happy to be able to start on this project. It was a lot of work and it seemed very hard at first, but now we are excited to show all of you our work.

Readers, please write to shineuenewspaper@gmail.com if you want to be a part of our team. You can also give feedback on our newspaper, tell us what information you want to get and any other things we could work on.

INTERNATIONAL PROGRAMS OF SHINE-UE

Shine-Ue school launched implementation of the Cambridge International General Certificate for Secondary Education Program in the 9th grade and the Cambridge International AS/A Level Program in the 11th grade to expand our international programs.

Shine-Ue higher secondary school became an IB Diploma Programme applicant in 2016 and joined the ranks of IB World School in 2018. As a result, the IBO has authorized "Shine Ue" higher secondary school to run the IB Diploma Programme.

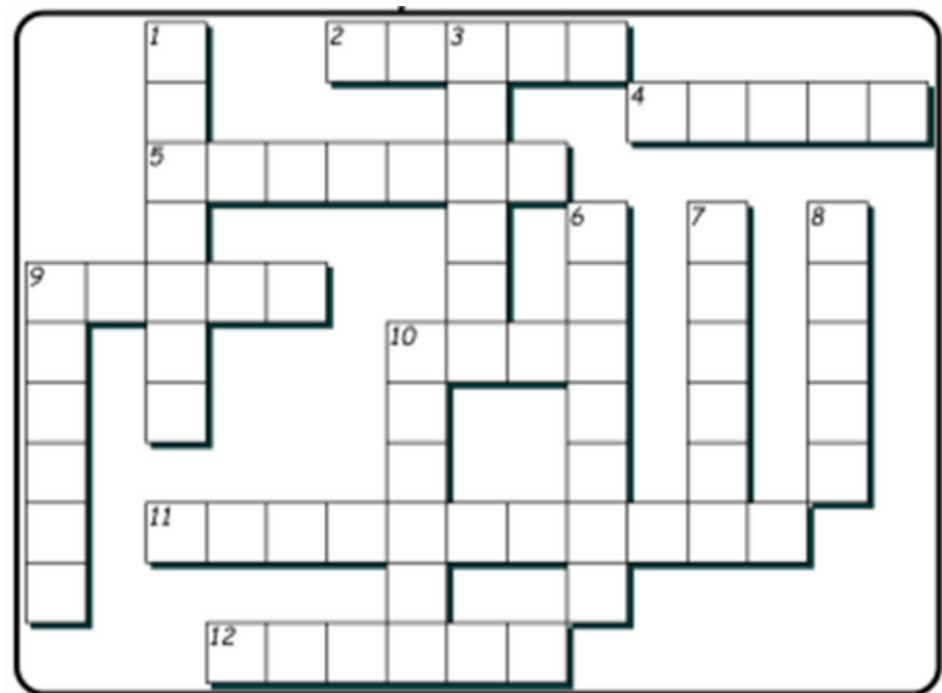

The IB Diploma Programme (DP) is an academically challenging and balanced education program with final examinations that prepare students aged 16 to 19 for success at university and life beyond. It has been designed to address the intellectual, social, emotional, and physical well-being of students. The programme has gained recognition and respect from the world's leading universities.

Recently, more and more students and young people in Mongolia have started vaping. Scientists have proven that vaping affects the body more than smoking cigarettes.

Side effects of vaping:

- Bad for your economy
- Coughing
- Dryness in mouth and throat
- Headaches
- Severe lung injuries
- Nicotine addiction and poisoning
- Increased risk of heart attacks and strokes
- Breathing difficulties
- Weight loss
- Nausea and vomiting
- Diarrhea
- Chest pain

Please, don't vape or smoke.
