

HUNGARIAN GOVERNMENT SCHOLARSHIP PROGRAM

Under the Memorandum of Understanding between the Ministry of Education and Science of Mongolia and the Ministry of Foreign Affairs and Trade of Hungary on cooperation in the Stipendium Hungaricum Scholarship Program framework for 2021-2023, Mongolian students are studying in Hungary on scholarships from the Government of Hungary.

The selection process will be conducted in two stages. The first stage will be organized by a working group approved by order of the Minister of Education and Science, and the second stage will be organized by the Tempus Public Foundation and the host school. The Hungarian Tempus Public Foundation and the host school make the final decision on successful applicants. Please note that no governmental, non-governmental, business or intermediary organizations of the two countries participate in the selection process other than the organizations mentioned above!

Here is a brief description of the scholarship.

For more information, please visit (www.stipendiumhungaricum.hu) in English.

The purpose and types of scholarships, their costs, a list of documents to be submitted, their requirements, majors, programs, schools, school entrance exams, English and other language proficiency requirements and selection can be found on the Hungarian Tempus Public Foundation website. It is recommended to acknowledge and get acquainted with the form, time of the event, and results. Citizens wishing to study in Hungary must complete the relevant documents and fill out the electronic application form correctly. Frequently asked questions related to the application can be found on the website.

Note: Visit the link provided on the website and choose the school, program, and language desired to study when filling out the online application. It is recommended that the applicant read this information in advance, as they will take the entrance exam for the school of their choice. Also, please note that undergraduate applicants are only allowed to study in the following majors.

The professional field of study:

Under Annexes 2 and 3 of the Resolution No. 139 of the Government of Hungary (VI.9.) of 2015, the following majors will be taught at the bachelor's level by mutual agreement.

Application process:

The applicant shall submit a complete application form and related documents to Hungary in electronic form on the website of the Tempus Public Foundation within January 15, 2022. The Ministry of Education and Science will not accept paper or electronic applications. The Hungarian side shall submit the application of the Mongolian citizen to the Ministry of Education and Science after reviewing the application.

Stage I selection: The Ministry of Education and Science will evaluate the applications and documents of Mongolian citizens submitted by Hungary in March 2022 and select a candidate within the specified number.

Stage II selection: Candidates who pass the first stage selection will take the school's entrance exam of their choice. Because each school has a different time and format for the exam, the school will send the exam information to the candidates via personal email. The Ministry of Education and Science is not involved in the process, so candidates must check their emails, reply, and communicate regularly. Please note that you will not be eligible for scholarships or re-examinations if you do not take the exam by the school deadline! The selection results will be sent directly to the nominee by the Hungarian host school and the Tempus Public Foundation.

Citizens who pass the selection process are obliged to accept the terms of the scholarship and return the response to the Tempus Public Foundation within the specified period. Citizens who are eligible for scholarships are eligible for a visa.
