

JAPANESE GOVERNMENT SCHOLARSHIP PROGRAM

Duration of scholarship program: 1 year in preparatory class, 4 years in basic class (total 5 years)

You can study for 6 years in Medicine, Dentistry, Veterinary Medicine, and Pharmacy and get a bachelor's degree.

Preparatory training:

During the first year, students will receive intensive Japanese language training and other preparatory courses at the Tokyo University of Foreign Studies or at the Japanese Language Training Center at Osaka University.

Students who complete the preparatory course will be admitted to the university after passing the university entrance examination provided by the Ministry of Education, Culture, Sports, Science and Technology of Japan. However, the Ministry of Education, Culture, Sports, Science and Technology of Japan decides which university to enroll in.

Examination during the selection:

- Japanese, English, Mathematics,
- Natural sciences Chemistry, Physics (A) / Biology (B)
- Scholarship amount: 117,000 yen per month
- Scholarship period: During the study period
- Tuition and round-trip airfare are the responsibility of the Japanese government

Requirements:

- Be a citizen of Mongolia
- To be born on April 2, 1997
- Must be a high school graduate (12th grade) in the year of application, or be a 1st or 2nd year student at a local university
- Must have a grade point average of 90 or higher in the last 3 years of high school, and a grade point average of 3.5 or higher in the case of a university student.
- Be physically and mentally healthy
- Probably not a military man
- Never studied on a Japanese government scholarship before
- No scholarships or plans to receive scholarships from other organizations

Registration: It takes place in April and May of each year and is available in two forms: online and by mail. Once the registration materials are received, the Embassy notifies you by email that you have received the materials.

Required documents:

- Request (Fixed Form)
- Direct university application (Fixed form)
- Academic results
- School description
- Reference from the teacher in charge or the principal of the last graduate
- Photo (Write your name on the back of the photo and paste it on the request form)

- Please fill out the application form in English or Japanese only. Documents in Mongolian need to be translated into English or Japanese.
- Send originals (1 copy each) to be sent (no copy required).
- If you are sending material by mail, please do not bind the material, but put it in an envelope in the order submitted.
- A medical certificate will be obtained from the person who passed the interview exam.
- Regarding academic results and school description
- The school or university may issue a stamp or signature certificate and a certificate issued by the school's kiosk in the case of a university.
- Even notarized documents must be certified after a quarantine.
- Received materials cannot be returned. Only those who pass the selection process will be required to provide original documents. Therefore, if you send your materials by email, please keep the originals until the end of the competition.
- A high school student must submit a transcript of the last 3 years, and a university student must submit a transcript of the 3 years of high school and the university.
- Ensure the grade point average (GPA) is included in the grade statement. Materials will not be accepted unless the GPA is calculated.
