Note: Before the online registration deadline, please confirm the registered documents by clicking the SEND button.

Early registration is recommended as the system is overloaded as registration closes.

It is not possible to register additional citizens who are late, so please register within the specified time.

It is necessary to place authentic and correct documents in the electronic registration system. In case of forgery, the scholarship will be revoked.

Four. Selection

The selection has two stages.

- Compilation of documents. The scholarship program will evaluate the applicant's application, essay content, relevance, and self-expression.

- Interview. Depending on the circumstances of the pandemic, the selection process will be conducted electronically. The schedule of the online interview and the list of participants will be posted on the Ministry of Education and Science website.

All participants will be ranked according to the total score of the application and interview, and scholarships will be awarded to the highest scorers.
