## The Battery Champion

5000mAh High-capacity battery | Supports 18W Fast Charge | Type-C Port

With the massive battery on the Redmi 8, you can now do more of everything.  
Take more pictures, play more games, watch more content without worrying about constant charging.

## Front 8MP AI Beautify selfie camera All about selfies, all about beauty

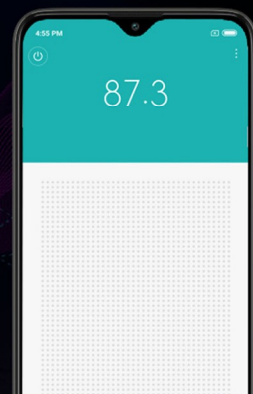

## Wireless FM Radio

Powerful Speakers | 0.82CC acoustic chamber

Enjoy music anytime anywhere with the wireless FM radio.

## IR Blaster

The Redmi 8 comes with a dedicated IR Blaster.  
Now you can control all your smart devices with just a single tap on your smartphone.

## The Display Champion

15.8cm (6.22) High Definition LCD Display | Dot Notch Design |  
Corning® Gorilla® Glass 5

The Redmi 8 delivers a massive screen with the impeccable Dot Notch Design. The immersive display provides better picture quality and an improved viewing experience. The large screen now also allows you to multitask on the go with the split screen option.

## The Performance Champion

Qualcomm® Snapdragon® 439 | Octa-core up to 2.0GHz | 4GB RAM + 64GB ROM | Expandable up to 512GB | 2+1 SIM card slot

The Redmi 8 comes with the Qualcomm® Snapdragon® 439. Now you can handle multiple tasks at once and switch seamlessly between applications. The Performance Champion allows you to watch HD content and play HD games with ease. The Redmi 8 supports a 2+1 SIM card slot with a dedicated micro SD slot with expandable storage of up to 512GB, so you never have to worry about storage space.

## Aura Mirror Design

Fingerprint Scanner | Premium look | Splash-proof by IP2i

Presenting the stunning Aura Mirror Design. This gives Redmi 8 a truly premium look. Additionally, the smartphone features nano-coating by IP2i which makes the device splash-proof, safeguarding it against accidental spills.
