ALL ABOUT THE BIG WORLD WE LIVE IN

## Mongolia's finest educator

Hello, I am ready to interview Shine Mongol Harumafuji school's manager Miss Narantsetseg. Thank you very much for accepting our interview now let us begin .

### How do you feel about the talent show ?

*-after watching it firstly I felt like I travelled back to my childhood secondly I was extremely proud of my students and the I thought Mongolia's future descendant's kids are very talented and highly knowledgeable about art thirdly I was surprised to see how kids were thinking and participating and they're themes they were all amazing. The roles they played play was perfect. I absolutely loved the boys from our school because I spotted their hard working skills their manner their talents. If they continue to be like this, I am sure that our nation's future will be bright.*

### -Did you notice kids when they were preparing or practicing

*- To be honest I didn't really notice us teachers were busy with seminar we had nonstop meetings also we went to terej for seminar too. This made things even more exciting.*

### -What are you expecting to see at next year's talent show

*- Of course I expect even more. I am hoping that I would be astonished by their next year's performances too. This year's talent shows amazing I couldn't believe how talented our kids were.*

### -As judge what tips will you give the participants

*- The kids learn more about stage culture they also should know how to organize things.*

6-3 class won at the middle schoolers talent show. They're theme was military and their class representative Sodbayr mentioned in his interview that spending practice time with his classmates and hearing they've won 1<sup>st</sup> place was the most memorable time. Even though they were nervous on stage they made it through successfully. He also said that he is very thankful to his teacher Mrs. B. Ugtahbayr

9-3 was the best organized class in the high schoolers category and they also won 1<sup>st</sup> place in group dance. They're theme was Harry Potter. Zoljargal who participated in group dance and choir gave us an interview. He said that the best moment was spending time with his classmates. The biggest struggle was when they were preparing one of his teammate injured his arm and they had to switch him out. The most interesting thing he said was that he wasn't scared to compete with the 10<sup>th</sup> and 11<sup>th</sup> graders. He also said they are conserving their energy.

11-4 class won 1<sup>st</sup> place in the highschoolers category. They've also won 1<sup>st</sup> place in solo dancing and 2<sup>nd</sup> place in choir, group dance and acting. Z. Egshiglen who was teaching the group dance had given us an interview. She said that the most enjoyable time was spending more time with her classmates and getting to know them more. The troubles I faced was I was so busy that I had forgotten about my costume and I had to find a costume the night before the talent show. I am really proud of myself and my classmates for winning and trying our best.

Teacher's Day was a major success. It was a big day that bonded our school and showed us the importance and hard fullness of teaching.

HERE

## Elementary teacher

Elementary teacher Цэлмэг (11-1) said in interview:  
*Kids were very cute. They warmed up to me easily and it was a lovely experience.*

**-What did you think about being an elementary teacher?**

*-I remembered glams of my childhood happiness she said it was reflecting moment for her. And at the end of the day, I felt exhausted to think teachers do this every day they held a great responsibility towards educating us for the future.*

## 8-2 B. Tselmuun

**-How did it feel to be taught by other students?**  
*-Some lessons were a bit boring but overall pretty decent.*

**-How well were you able to understand the lesson?**  
*-It was pretty understandable*

**-What lesson do you think your class liked the best?**  
*-It was probably biology because when we answered questions we were given a piece of candy.*

**-What was the best lesson in your opinion?**  
*-For me had to have been physical education because, since it was the last period, the teacher let us play.*

## High school teachers

High school teacher Мөнх-Оргил (11-2)

**-How did it felt like to be a teacher for the high school students?**

*-It felt nice. Probably because of our age is close.*

**-How did the students act towards you?**

*-It was really nice to talk to them.*

**-What did you dislike?**

*-They didn't listen to me. So that wasn't cool.*

**-How do you think teachers feel at the end of the day?**

*-I dropped dead and slept immediately after I got home. So to think that teachers do this everyday.is exhausting. And we should appreciate it.*

High school teacher Лхавгацэрэн (11-4)

**-How did it feel?**

*-It was tiring but fun. And I became very close to my under classmates.*

**-How did the student act?**

*-They were cool and very welcoming.*

**-What did you like the most?**

*-I liked interacting with them. And it was very fun to go from class to class and meet completely different kids in each one.*

**-How do you think teachers feel like?**

*-I was exhausted after only 7 subjects and couldn't believe teachers had to do this almost every day. There were so many things to do.*

### 11-2 Temuulen

Long jump – Gold  
100m track – Silver  
4×100 relay – Silver

**Impression of how the tournament was:** *The organization was good. Our classmates did well. But I think that it will be better if there was a break between the races because it's hard for the students who are participating in several categories.*

**-Impressions of taking three medals:** *I didn't expect to take place in three categories, and I didn't know that I was going to take 1st place in long jumping. I was very happy. Also, I think I helped my class.*

### 9-3 Nomunbilig

Our class won:  
Long jump(No run-up)- Gold  
4x100(Male)-Gold  
100m (Female)-Gold

**-Since you were the eldest class were you confident that you would win?**

*-Absolutely no! Everyone was really nervous.*

**-What were your feelings when your class won?**

*-First thing we did was thank our teacher and the cake was delicious.*

### Nomunbiligt 11-4

(Judged the primary school tournament)

*I woke up at 7am in the morning that day, and was really tired. I refereed the primary school's tournament. I was proud of my school, but felt sympathetic for the teachers. They helped us since it was very hard. Thank you.*

### 9-1 N. Temuulen

Our class won:

4x100(Male)-Bronze

4x100(Female)-Silver

**-Since you were the eldest class were you confident that you would win?**

*-I admit we were at the beginning, but after we started the races we got very nervous*

### Ninjin 10-4

100m track – Gold

**Impressions of taking a place:** *I was proud of myself. It was exciting. I didn't think I would take a place.*

**Previous achievements:** *I took gold and silver medals in 100m track, relay, long at my previous school.*

**Impressions from the tournament:** *The organization and the discipline was strong.*
